Blunt Statement Shocks Northern Neighbor

U.S. Declares Canada Needs Nuclear Arms For Defense

WASHINGTON (AP) — The United States, apparently taking sharp issue with Canadian Prime Minister John G. Diefenbaker, has declared bluntly that Canada's defense forces should be equipped with nuclear weapons.

Although North American defense systems "using nuclear capable weapons" are necessary for effective protection against the Soviet Union's nuclear bomber fleet, the State Department said Wednesday night, the Canadian government has failed to come up with a practical plan.

The nuclear weapons issue has been hotly debated in the Parliament at Ottawa in recent days and has become a problem in Canadian domestic politics. In such circumstances a U.S. government declaration is highly unusual. In Ottawa, there was widespread speculation the U.S. criticism would spark a general election call and a campaign fought on nuclear defense issues.

The statement, issued by the State Department and delivered to the Canadian Embassy, is also unusual because it is stripped of ordinary diplomatic language and lays down the Washington view of the North American defense problem in sharp, simple sentences.

"The Soviet bomber fleet will remain at least throughout this decade a significant element in the Soviet strike force," the statement said. "An effective continental defense against this common threat is necessary."

The statement said that although the Western alliance needs more conventional forces, conventional forces are no alternative to effective NATO or NORAD defense arrangements using nuclear-capable weapons systems.

NORAD is the joint U.S.-Canadian defense system against Soviet bombers.

The statement did not refer to Diefenbaker by name, but referred to various points made in the Canadian Parliament's nuclear weapons debate, in which Diefenbaker has participated.

In Ottawa, the Social Credit Party leader Robert Thompson, called the U.S. statement "a bombshell to say the least — it could be the spark to topple the government."

Liberal leader Lester B. Pearson, leader of the Liberals, the biggest opposition party said he found it surprising the United States should issue such a statement. But he blamed it on what he said were conflicting versions of defense policy given by Diefenbaker and Defense Minister

Douglas Harkness in Commons debate last week.

Diefenbaker, in Toronto for a speech, said he would have no comment until he studied the statement.

Diefenbaker recently told Parliament that strategic plans involving the use of supersonic jet fighters by Canadian forces in Europe had been "placed under doubt by the recent Nassau declaration" between President Kennedy and British Prime Minister Harold Macmillan.

The State Department statement

said the Nassau agreement raised no question of the appropriateness of nuclear weapons for Canadian forces in fulfilling their NATO or NORAD obligations.

While maintaining that Canada always will fulfill its defense commitments, Diefenbaker has suggested "greater and greater emphasis must be placed on conventional arms and conventional forces."

"More nuclear arms will add nothing materially to our de-

Britain Seeks New Commerce Outlets

LONDON (AP) — Britain took the first tentative steps today in a drive to strengthen its world trade and rebuild its flagging economy out of the wreckage of its Common Market hopes.

British planners looked around for freer outlets for the nation's commerce, denied unlimited access to the rich markets of the European Community by the collapse of the Brussels negotiations.

The first top-level move in the British offensive was a meeting set for later today between Prime Minister Harold Macmillan and Premier Jens Otto Krag of Denmark, one of Britain's partners in the European Free Trade Association (EFTA).

Krag said after his arrival in London Wednesday he wanted to hear more of British plans "about how we can go further with EFTA," the seven-nation trading group created as a British-led rival to the Common Market six.

British political circles suggested strengthening and even enlarging EFTA might help make up for what Britain lost through being excluded from the European Community.

Krag was expected to give Macmillan a firsthand report on President Charles de Gaulle's offer to help Denmark join the Common Market without Britain.

The British press called for a thorough look at the country's taxation and trade and for measures to put new nerve and spirit into its lagging industry.

Looking to the future of international trade, The Times of London said: "The sensible thing will be to join with the United States in its recent proposal to start tariff talks through GATT (the General Agreement on Tariffs and Trade)."

"The next step will be to discuss the possibility with our partners in EFTA at the next meeting in Geneva in the middle of next month. The extension of tariff concessions achieved with the (Common Market) six and the United States to the Commonwealth and other countries should help to loosen some of the barriers not only surrounding the six

but also existing between the Western industrialized nations and the underdeveloped countries."

Macmillan in a television address Wednesday night rejected the French idea of a Europe purged of strong American influence.

Gas Rates In Area Towns To Be Cut

COLUMBUS, Ohio (AP) — The Ohio Fuel Gas Co. reports its natural gas rates in 92 Ohio communities will be reduced March 1, the cuts ranging from one-half to 2½ cents per thousand cubic feet.

The price reductions come under provisions of escalator clauses in the communities' contracts.

The 2½-cent-lower group will include 12 towns: Avon Lake, Bethesda, Clyde, Crooksville, Helena, Malta, McConnellsville, New Concord, Quaker City, Sarahsville, South Bloomfield and Spencer.

The 2-cent cuts will apply in Bergholz, New Athens and Washingtonville, and the 1-cent reductions in Gallipolis, Jeromesville, Ontario and South Zanesville.

Half-cent decreases will apply in Ada, Amsterdam, Armstrong Mills, Athens, Alliance, Beach City, Beloit, Bloomdale, Bolivar, Bremen, Brewster, Carrollton, Centerville, Centerville, Chippewa-on-the-Lake, Circleville, Damascus, Dunganon, East Lewisville, East Rochester, Flushing, Fremont, Garfield, Greenford, Green Springs, Guilford, Hanoverton, Harlem Springs, Hartford, Homeworth, Jacobusburg, Jewett, Justus, Kensington, Key, Kilgore, Lake Placencia, Leetonia, Lore City, Magnolia, Mansfield, Mechanicstown, Medina, Minerva Park, Mount Sterling, Neffs, New Franklin, New Garden, New Rumley, New Waterford, North Georgetown, North Liberty, North Lima, Park Heights, Pekin, Pleasant City, Rising Sun, St. Louisville, Scio, Seaveken Lake, Shawnee, Strasburg, Summitville, Urbana, Walbridge, Waynesburg Grove, Westville Lake, Whitehall, Willard, Wilmot, Winona, Woodville and Zoar.

"The next step will be to discuss the possibility with our partners in EFTA at the next meeting in Geneva in the middle of next month. Meredith To Return To Mississippi U.

OXFORD, Miss. (AP) — James H. Meredith is expected to return to the University of Mississippi today amid reports another Negro will attempt to enroll at the institution.

The university—still mindful of the disorder last fall following Meredith's arrival—made elaborate security precautions to prevent fresh disturbances.

Troublemakers "will receive swift and severe disciplinary action," Chancellor John D. Williams warned in a letter delivered to each student.

It was learned that Dewey Roosevelt Greene, 22-year-old Greenwood Negro and former student at Mississippi Vocational College, would arrive on campus in mid-

Would Create Board of Regents

Education Group Asks Passage of School Bill

COLUMBUS, Ohio (AP) — Robert H. Longworth of Carrollton, chairman of the Ohio House Education Committee, holds out hope that the minimum needs of the state's public schools will be met by the Legislature.

Longworth's committee has been working on a revised version of a bill creating a board of regents to govern Ohio higher education, and he says passage of the proposal is a "must."

The bill, with strong backing from Gov. James A. Rhodes, is expected to be introduced soon. It would establish a seven-member board to be appointed by the governor.

Longworth's committee has been working by State School Sup. E. E. Holt that the state's share of school costs just to meet increased enrollments during the next two years will be \$47.5 million. The state school board has proposed improvements in the school foundation program that would cost \$130 million in two years, plus \$30 million for classroom construction.

Longworth said if any changes

are made in the law to increase state participation, they probably would apply to teachers' salaries, but he cited no figures. The state board has proposed salary increases of \$50 to \$250 depending upon training, increasing the minimum guarantee for each classroom unit from \$2,100 to \$2,300, and the operating cost factor from \$1,700 to \$2,000 per teacher unit.

The chairman endorsed the regents proposal as one which would provide Ohio with a much needed master plan for higher education. He said he believes it would "provide direction for the orderly expansion of higher education where there has been no direction."

The board would replace the state community college board and direct development of these local colleges. It would make recommendations on the budgets of such schools and the state universities also, and thus exercise some control over local community college and university boards.

Under the proposal, the regents would also have power to approve

Two Hospitalized After Canfield Crash

Three Persons Hurt In Two-Car Collision

A Canfield area man and woman and a Youngstown man were taken to South Side Hospital in Youngstown Wednesday after their autos collided at 5:40 p.m. on Route 62, just north of the Canfield corporation limits.

Mrs. Mary Spingone, 62, of RD 3, Canfield, and a passenger in her car, Frank Spingone, 45, of the same address were admitted.

John Fitzer, 29, operator of the other car, was treated for minor injuries and released.

Mrs. Spingone, who suffered possible rib fractures and other internal injuries, was reported in fair condition today. Frank Spingone is being treated for a possible skull fracture.

The Canfield barracks of the State Highway Patrol reports the Fitzer auto was traveling south and the woman's car going north when the cars collided in the southbound lane.

Two Columbiana motorists escaped injury when their autos collided Wednesday at 3:30 p.m. on Garfield Rd., about one mile west of Route 46.

Canfield investigators said Harry Everhardt, 63, of 45 N. Pearl St., Columbiana, was pulling from a private drive when his vehicle

was hit by a car operated by John Kellner, 39, of RD 1, Columbiana, who was westbound on the county road.

Everhardt was cited for failing to yield the right of way.

The Lisbon patrol post investigated a mishap that resulted only in vehicle damage Wednesday morning at 9:40 on Route 7, near its junction with Route 30, north of East Liverpool.

An auto driven by David F. Harding, 30, of Newton Falls struck the rear of one operated by Woodrow W. Travis, 38, of East Livrpool. The younger driver was cited for failing to stop within the assured clear distance.

Testimony Of Lawson Due In Sunday Issue

By WILLIAM S. VANCE

COLUMBUS—The Lawson Milk Co. was to bring its long-awaited testimony before the house judiciary committee today as the legislators prepared to suspend hearings on the Ohio blue laws issue.

Lawson, who sponsored the ill-fated constitutional amendment to spell out Sunday necessities, has not been in touch with the committee previously during its two weeks of hearings.

Judiciary committee members indicated after a "skull session" Wednesday afternoon that a bill probably will be drafted by the committee soon.

It is expected to embody the suggestions of Committee Chairman Edmund G. James, R-Noble, who wants the law to spell out in detail items that can and cannot be sold on Sunday, averting completely the principle of common labor as a determining factor.

In hearings earlier Wednesday, representatives of the Ohio Nurserymen's Association told the committee that Sunday operations are essential to their business.

Frank Seidenberg of Lima, a Wells department store manager, outlined four proposals: Relaxation of existing laws, repeal of the blue laws, permission for limited operations, or a local option on a countywide basis.

Also testifying were J. E. Gotherman Jr., representing the Ohio Municipal League, and Elmer Cope, executive secretary of the Ohio AFL-CIO.

Both said their organizations are satisfied with the existing law, although Gotherman suggested imposing stiffer penalties on violators.

Annexation Booster
Meanwhile, the senate judiciary committee opened hearings Wednesday on a bill by Sen. Roy B. Gardner, R-Mansfield, which would ban municipal incorporations within five miles of an existing city or village.

The bill, which has been termed an annexation booster, is aimed at promoting orderly growth of established communities, Gardner said.

John Coleman, Ohio Municipal League president, told the committee the League supports curtailment of new municipalities. He said Ohio already has 731 villages and 194 cities and that the solution to municipal problems

President Declares U.S. Must Help Limit Production

WASHINGTON (AP)—President Kennedy insisted today that the government must continue to help manage farm production. But in a major reversal aimed at overcoming congressional opposition, he proposed voluntary instead of compulsory controls.

In a special farm message to Congress, he attached no price tag to his proposals. But an administration spokesman estimated that new programs for feed grains, milk and cotton would reduce an-

nual federal farm costs between 300 million and \$500 million a year.

Farm aid programs have been costing about \$3 billion a year. Under his new recommendations, Kennedy would have the government pay farmers to reduce production of existing surplus products—feed grains and milk.

Last year he had urged, but without success, that Congress give the government power to set rigid production quotas and impose heavy penalties on overproducers. These programs would have required producer approval at referendums.

Kennedy also commended use of payments to solve a cotton marketing problem. Under the present cotton setup, foreign buyers get U.S. cotton at much lower prices than domestic users. Hence, the domestic users have been placed at a price disadvantage in textile markets and use of cotton at home has declined.

The President would leave untouched legislation enacted in 1938 authorizing mandatory production controls on cotton, rice, tobacco and peanuts. Likewise, he made no control proposals for livestock, poultry, fruits and vegetables—any limitations.

In the case of wheat, he threw the full weight of his office behind a new mandatory wheat control program to be submitted to a grower referendum in the spring. This plan is opposed by the influential American Farm Bureau Federation which wants less government in farming.

The administration spokesman said the shift from compulsory to voluntary controls for feed grains and milk was dictated by the prospects that the new Congress, like the previous one, would reject rigid limitations.

Other legislative recommendations submitted in the message included:

Broadening of the Agriculture Department's program for training unemployed rural residents for nonfarm jobs and skills.

Legislation authorizing extension of the food stamp plan on a nationwide basis. This plan, now on trial in a limited number of communities provides low-income consumers with additional food purchasing power in the form of stamps redeemed by the government from regular stores. It would replace the long-employed direct surplus food distribution program.

Mothers Net \$1,300 In City Dimes Drive

A "highly successful" Mothers March netted approximately \$1,300 last night, Louis Raymond, chairman of the 1963 March of Dimes, reports.

The figure is not complete because all reports have not been received, he said. The total does not include money received from industry and from business and professional persons in Salem who were contacted by letter.

Raymond expects the total amount for the drive for the month to be \$1,700. He reminds persons who received letters and who did not contribute that it is not too late to do so.

Mrs. Oliver Davis and Mrs. Richard Greene, co-chairmen of the Mothers March, were assisted by Mrs. Hobart Butcher and Miss Alma Auld and the staff of the Red Cross office, which is headquarters for the drive.

Ralph Smith of the First National Bank was in charge of a group who checked and counted the money as it came in.

Refreshments were served to the captains who reported.

Constable John Wanner and deputies Donald Kuntzman and Raymond were made honorary marchers to cover areas which the mothers were unable to canvass.

Will Mark Organization's Anniversary

County Council Plans Scout Week Program

The Columbiana Boy Scout Council is completing plans to observe Boy Scout Week Feb. 7-13, marking the 53rd anniversary of the organization.

Scout week will be observed nationally by over 130,000 scouting units, including the 110 in the Columbiana Council District.

"This year the Scout week observance will be conducted at the unit level," says Howard Firestone of Salem, Columbiana Council president. "We would like to have every member invite another boy of his own age to attend the Scout Week meeting," he said.

The district's 1,460 cub scouts will conduct "blue and gold" open houses, with prospective members and their parents as guests. Newly-qualified cub scouts will be inducted. A skit, "How Scouting Began," will be put on by most packs.

Parents' night meetings will be held by nearly all of the Boy Scout troops which have a total of 1,418 members. Displays of scout hobbies will be shown, and scouts who have progressed in rank will be honored at formal courts of honor. Emergency preparedness skills will be demonstrated by patrols, and patrol stunts, songs and games will precede closing ceremonies.

The 142 Explorers in the county will address boy and adult groups at high school assemblies and meetings of service clubs, church and PTA groups and Boy Scout troops. They will collect Pledge cards indicating interest in joining an Explorer unit, help to form new units and serve as consultants in specialized fields.

Feb. 10 will be observed in churches of all faiths as "Boy Scout Sunday." Scouts and leaders will attend services in uniform.

Nine Leetonia Teachers Attend Art Workshop

LEETONIA — Nine teachers of the Leetonia Exempted Village School District are attending an Art Workshop for elementary teachers at Joshua Dixon Elementary School in Columbiana.

The 15-hour course is being sponsored by the Benney Smith Manufacturing Art Supply Co. for teachers from Columbiana, East Palestine, Lisbon and Leetonia.

Teachers taking advantage of the course are Constance Rini, Ruth Bowman, Mildred Painter, Lela McKenzie, Esther Yoder, Sally Bosel, Adelle Musselman, Nelle Morris and Robert Scanlon.

TWELVE LUTHER LEAGUES participated in the progressive-luncheon meeting Sunday. The next meeting of the Luther League will be at the church Feb. 10 with Miss Eloise Beiling as the topic leader.

A pre-Lenten area meeting will be held in St. Paul's Lutheran Church in Warren Feb. 24. Jay Hollway, president of the local ecumenical leaders.

An adult church membership class will be conducted by Rev. T. P. Laughner, pastor of the Lutheran Church at 7:30 p.m. Thursdays, starting tonight. Anyone interested in becoming a member is invited.

The Senior Choir will practice at 7:30 tonight.

Top Court Agrees To Hear Case on Teachers' Status

COLUMBUS, Ohio (AP) — The Ohio Supreme Court has agreed to hold another hearing on a statute giving municipal civil service commissions authority over non-teaching city school employees.

The high court Wednesday agreed to reconsider its Dec. 12 decision invalidating the statute. The unanimous decision last month came in a suit filed by Mary E. Karick and seven other employees of the Findlay School District to determine their status.

The group acted after the Findlay Civil Service Commission changed its rules in 1960 to require non-teaching employees to be school district residents, set new age limits and require civil service examinations. The plaintiffs did not qualify under the new rules.

The new commission rules were termed invalid by Common Pleas Court and an appellate court concurred, knocking out commission authority over employees involved. The high court affirmed but now has agreed to a rehearing.

In other actions, the Supreme Court:

Agreed to review Richland County decisions denying personal injury damages on grounds of misjoinder of parties. Leland Darling sued Home Gas and Appliances Inc., of Mansfield, and Philip Zimmerman, driver of a company truck involved in a collision with Darling's car near Butler March 14, 1958. Mrs. Ralph Hardy sued Frank Williams Transfer and Storage Co. and truck driver Carl Nicholas after her car was in a collision with the truck on Park Avenue E, Mansfield, Sept. 10, 1958.

Rejected the appeal of Mary Compton of Russell, Ky., from refusal of lower courts in Lawrence County to remove Clifford Maynard as administrator of the estate of his father, Flem B. Maynard, Coal Grove, who died Jan. 27, 1960. The elder Maynard was divorced from his wife, Flora, in 1939. Miss Compton became his housekeeper in 1945 and claimed to be his widow, but lower courts denied her claim.

Let stand an appellate court decision affirming refusal of a board of zoning appeals to order a permit for construction of a filling station at the intersection of Lake and Moore roads, Avon Lake, sought by George A. Manning and Sanford Campbell. Lorain County Common Pleas Court had reversed the board on grounds the land, zoned residential, was boxed in by a business district.

Admitted for review a Lorain Banking Co. appeal from an appellate court order for Common Pleas Court to take into account life tenant rights of Carmen Fairchild in distributing proceeds from foreclosure sale of property in which Stewart H. Fairchild and others held an interest. Sale of the 25,000 property, not identified in the appeal, more than covered the mortgage and the trial court ordered distribution in an action brought by the Oberlin Savings Bank Co. without regard to the life tenant rights.

Calcutta-Liverpool Ruritans Plan Dance

LISBON — The Calcutta-Liverpool Ruritan Club will sponsor a benefit round and square dance Saturday as a March of Dimes benefit at the Beaver Loca (Public School from 9 to midnight according to John Geren, president of the local club).

The Blue Notes will provide the music, and Jim Sheets will be the caller for the square dances. Committee chairmen in charge of the event are Jim Buckley, tickets; Bud McDevitt, advertising, and Bud Sheets, music.

Tickets may be obtained from the committee chairmen, any member of the Ruritan club or March of Dimes volunteers.

Bill Introduced In Ohio Senate

Use of Tranquilizers By Drivers Criticized

COLUMBUS, Ohio (AP) — Two Both houses will reconvene Monday evening.

A second bill was introduced with the blessing of the Ohio Education Association—to increase the membership of the State Teachers' Retirement Board from five to seven with four members being teachers or former teachers. Classroom teachers now hold only two of five positions on the board. The new bill is sponsored by Sens. Oakley Collings, R-Lawrence, and Kline Roberts, R-Franklin.

Another controversial measure appeared in the Senate—a bill to require pre-primary conventions of political parties to recommend candidates for state and national offices.

In reply to recent charges that the attorney general has incurred special-attorney accounts around the state without regard to cost, a measure was introduced which requires the State Controlling Board to approve any request by the attorney general for special counsel.

Another major proposal would open public records and documents to examination by citizens.

The Doctor Says

By Dr. WAYNE G. BRANDSTADT
Rheumatic Fever Has Disguises

Rheumatic fever has been rightly called the most threatening disease of childhood. It usually hits children between 5 and 15. There is growing evidence that susceptibility to this disease is greater in some families than in others. Recent studies indicate that children with acute rheumatic fever have a high level of gamma globulin in their blood. Although gamma globulin is usually regarded as a protective substance, the amounts found in these children are regarded as excessive. Furthermore, their close relatives have also been found to have high gamma globulin levels.

THIS DISEASE usually starts with a streptococcal sore throat, but the course of the disease is so variable and the rheumatic aspect (inflamed joints) is so inconsistent that the very name "rheumatic fever" often leads to confusion.

After the sore throat and fever have subsided, the streptococcus seems to smolder like a fire that has been only partially extinguished. In other words, it elaborates its poison at a greatly reduced rate, but this poison circulates in the blood. After a variable period of two to six weeks it may attack different parts of the body.

If it attacks the joints, it leads in some children to acute swelling and redness and in others to mild aching pains that cause the

child to sit around listlessly. He becomes irritable, and refuses to play.

Many a child has been punished for being naughty when, in reality, he was suffering from mild rheumatic fever.

Sometimes a grandmother has said of such a child that he had "growing pains." We now know that there is no such thing, and that most children with "growing pains" have rheumatic fever.

IF THE STREPTOCOCCAL poison attacks the nervous system, chorea (St. Vitus's dance) develops. This may last for two to six months, then clear up. The most serious complication of all is rheumatic heart disease, because this may lead to permanent disability.

Some children who get the joint involvement never get rheumatic heart disease, some get the heart disease without any joint pains, and some get both. Since streptococcal infections confer no lasting immunity recurrences are common, and with each recurrence the danger of serious heart involvement increases.

FORTUNATELY, such involvement can be prevented by giving penicillin, which kills the streptococci, for the acute infection and preventive injections of slow-acting penicillin every month for at least five years following an attack.

During the acute stage, the child must be kept in bed. But recent studies have shown that when the acute phase is over, it is harmful rather than helpful to put severe limitations on the child's activities.

If the joints were involved and

PULLOVER PONCHO — Lida di Trepuzzi displays a knitted poncho she designed, in Florence, Italy.

the pain and swelling have subsided, leaving no evidence of heart disease, there is no need to make any restrictions on activity.

If there has been a rheumatic heart involvement and the acute phase is over, almost any kind of noncompetitive sport can be engaged in, such as walking, swimming, rowing, bowling. It is necessary only to avoid overfatigue.

Personal Property Collection Set Feb. 15-April 30

Columbiana County's personal property tax collection will open Feb. 15 and close April 30, County Auditor Kenneth Bell reports. Personal property taxes are levied on such possessions as stocks, bonds, other securities and farm equipment.

After April 30 a five per cent penalty will be added to the taxes.

Statements will be placed in the mail starting Feb. 1. Persons who need assistance may obtain it at the personal property tax office in the auditor's office on the first floor of the Courthouse in Lisbon.

A representative from the county auditor's office will visit county communities to help persons file tax returns.

The schedule follows:

Soil Conservation Cooperators Approved

LISBON — The board of supervisors of the Columbiana Soil Conservation District Tuesday approved two more cooperators in the county program.

They are the Division of Wildlife farm in Washington Township, which consists of 80 acres, and Robert A. Campbell, East Palestine, 48 acres in Unity Township.

In other business the group planned its program for the coming year. Dawson Irey of Winona, chairman, presided.

25 TRAIN CARS DERAIL

CLEVELAND (AP) — A New York Central freight train was preparing to make a stop in the Collinwood Yard for a change of crew Wednesday night when 25 cars jumped the track at East 140th Street. No one was injured. The 104-car train was en route from Chicago Buffalo, N.Y.

United School Indebtedness Is \$524,590

The financial report of the United Local School District Board of Education for the fiscal year 1962 shows a total indebtedness of \$524,590.

The report, prepared by board clerk Robert L. Myers, indicates a total outstanding debt as of Dec. 31, 1962, of \$67,000 (elementary building), \$284,000 (high school building), \$160,000 (addition to elementary building) and \$13,590 (consolidation of West Local to Minerva Local and United Local).

The total indebtedness is a reduction of \$40,350 over the same obligation as of Dec. 31, 1961.

As of the end of last year a balance of \$26,330 remained in the general fund, \$15,668 in bond

retirement, \$3,960 in the lunch room fund and \$649 in Title III monies, for a total of \$46,609. The balance for the comparable time in 1961 was \$24,821.

Receipts for the year totaled \$493,615 while expenditures totaled \$467,285.

The district has a total tax valuation of \$12,355,180 and a school enrollment of 1,343 in grades 1 through 12. Salaries and wages total \$308,570.

DEDUCTIBLE TAXES

CLEVELAND (AP)—Melvin J. Burton, district director for the Internal Revenue Service, today reminded Ohioans preparing federal income tax returns to include proper deductions for state taxes paid. Deductible state taxes, he said, are 7 cents a gallon on gasoline, 5 cents a pack on cigarettes, 20 cents a fifth-gallon on whisky and 1.5 cents a pint on beer.

Faculty, Student Recital Is Set At Mount Union

ALLIANCE — Prof. David McIntosh will be the featured performer for the Mount Union College faculty-student recital Sunday evening at 8:15 at Rodman Playhouse.

Prof. McIntosh, baritone, will be Antonio Vivaldi, John Dowland, and Henry Purcell.

He will be accompanied by Mrs. Bess Scharff Leven, pianist for the Canton Symphony, and for two selections by Suzanne McIntosh, cello, his daughter, who is a ninth-grade student.

The string quartet will present "Dover Beach" by Samuel Barber with the vocal by Prof. McIntosh. The concluding portion of the recital will be selections sung by the Madrigal Singers.

The recital is free to the public.

Winona Ruritans Donate \$200 to KSU Center Library

A \$200 contribution was presented to the Salem Academic Center Library Fund of Kent State University by members of the Winona Ruritan Club at the monthly meeting of the area board of trustees for the Salem Center.

The check represents the proceeds of the club's pancake and barbecue. It was presented by Russell Loudon, president of the Ruritan Club, and William Cope, treasurer, to Francis Hazard, director of the KSU Salem Center.

This is the second contribution for provision of the specialized books, references and periodicals needed by Kent State University students using the Salem Public Library. The first contribution was made by the Salem Kiwanis Club.

A total of \$1,200 has been received toward the goal of \$5,000 needed to complete the project.

The first \$500 was donated by the University.

Alfred Fitch, Salem attorney, is president of the board of trustees.

WINONA RURITANS MET Tuesday at Salem Grange hall for a business meeting conducted by Franklin Henderson, new president. Committee chairmen gave reports of planned projects.

Henderson, who is also district governor of zone 4, showed slides and gave an account of his recent trip to Atlantic City for the national convention.

A resolution was adopted by the club opposing the changing of the dates of the Columbiana County Fair which will include a Sunday fair this year.

Plans are being completed for the annual pancake and sausage supper at Willow Grove Grange March 16.

The next meeting will be Feb. 26 at Winona Methodist Church.

Smorgasbord Begins Garden Club's Year

A smorgasbord coverdish luncheon was enjoyed Monday by members of the Salem Garden Club when they met for their first meeting of the year in the Ruth Smucker House. Mrs. J. B. Atchison was chairman in charge of the arrangements, and was assisted by Mrs. Harold Benson, Mrs. Vincent Bober, Mrs. Charles Haldi and Mrs. Carl Flickinger.

Green ribbon awards were given for the individual tables set in competition for the occasion. Winners were Mrs. John Botu, Mrs. Elliott Hansell, Mrs. Joseph Schmid, Mrs. George Perrault Jr., Mrs. C. G. Shaffer and Mrs. R. K. Zimmerman.

Following the luncheon, Mrs. Lozier Caplan presided at the business session.

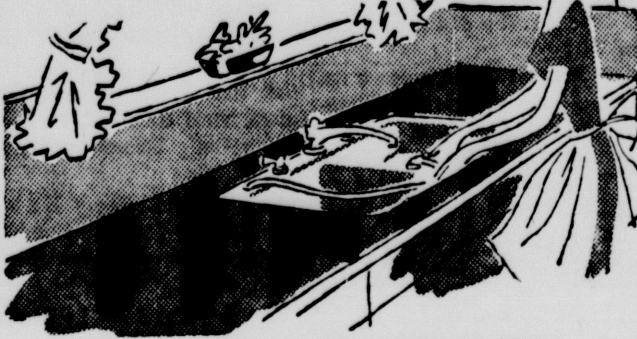

Mrs. George Jones, president of the Garden Club of Ohio, briefly told of a symposium meeting which she attended in New York recently.

Mrs. William Butler announced that a workshop will be held preceding the meeting, Feb. 25. Mrs. Frank Skowron will be in charge. The club will sponsor a bus to the Cleveland Home and Flower Show in March.

Mrs. C. P. O'Neil, a charter member of the club, spoke to the group following the business meeting. Her theme was "Down Memory Lane," and she told the story of the planning and founding of the club in 1931 with 21 members enrolled. The club membership grew to 151 in two years. Hints from Heloise

— By Heloise Cruse —

Dear Heloise: I am 73 years old and have been struggling with lace curtains for 50 years.

Recently my daughter gave me dacton panels. Some of them had to be shortened. Then the idea came to me of putting a hem at the top of the curtain. (This really is a small tuck stitched just below the heading of the space where the rod goes through.)

This extra heading was very simple to make.

No one had ever told me this simple, easy and pretty way to shorten a panel before. Also, they are always 100 per cent accurate. I hope this will help others who have "curtain headaches."

MRS. R. L. MITCHELL

Gals: This woman has discovered something! And let me tell you what it does. This prevents turning up the hem which has been put in by the factory, therefore eliminating that home made look at hem line which we usually get when we turn up our curtains, so many inches.

Works beautifully. I just did some dining room panels this way.

HELOISE.

Dear Heloise: Here's the way I cleaned the bottom of my frying pan. I took the legs off by removing a little countersunk screw with my screwdriver.

I saturated an old towel in am-

monia and laid it directly on the bottom of the frying pan.

Next I wrapped the pan and cloth in a plastic bag, fastening it as close to the base of the handle as possible, leaving the handle protruding from the bag so the finish on the control dial would not be damaged. I left my pan overnight — in fact I gave it "the treatment" three times since it was in such sad, sad shape.

The black corrosion came off easily with a scouring pad. Now the pan looks new. This method is the same principle as painting your oven with ammonia. It really worked for me.

A READER.

Dear Ladies: If your fry pan is old and everything else has failed — you might like to try this. I did. I felt that I didn't care if it ruined the aluminum. It might have, but I couldn't tell any difference and my pan is clean!

And remember: this carbon builds up layer by layer! The more layers we have the harder it is to get off. Keep the pan clean once it gets "that way."

HELOISE.

DEAR HELOISE: I have had trouble for some time with lumpy batter in prepared cake mixes — yet I always exactly follow the mixing directions and use a portable mixer.

My 12-year-old daughter in-

formed me that she always "pinched" the dry mixture with her fingers before adding the liquid.

I did this and went one step further:

I added the liquid gradually and blended it with a spoon instead of with my mixer. Now the batter is always smooth and I bake a finer textured cake.

Why not dump the cake mix into the bowl itself and turn on that electric beater for a few minutes? This way, you don't even get your fingers

dirty.

I find that if I beat any of these prepared mixtures first while completely dry and then add my liquid I have no batter trouble at all.

This does not pertain to pancake mixtures. They are supposed to be lumpy!

HELOISE.

DEAR HELOISE: From about the age of three a child is afraid of lightning and thunder at night... so tell him that Mother Nature wants light to see where it is raining, and the thunder is excitement! Give a child a flashlight and he will love it. You can show him how he too can make a light go on and off easily and quickly! My child always falls asleep with a flashlight in his little hand during a storm. This is the only time he can play with a flashlight and I do believe that he enjoys a storm every so often. Just a thought to share.

S. of U.V. To Hold Lincoln Day Dinner

Plans were discussed concerning the Lincoln Day dinner meeting at 6:30 p.m. Feb. 12 at Greenford High School, when members of the Sons of Union Veterans met recently in their hall. Judge

Heloise welcomes all mail, especially household hints which she can pass on to readers as space permits. However because of the tremendous volume of mail she receives daily, Heloise is unable to answer all individual letters. She will answer readers' questions in her column whenever possible.

Louis Tobin will be the principal speaker.

Tickets to the banquet may be obtained until Feb. 8 at Jerry's Barber Shop.

The organization will meet again at 8 p.m. Friday.

ZOO BUILDINGS BURNED

CINCINNATI (AP) — Administrative personnel at the zoo literally have no place to go except the cafeteria—all because of a fire that gutted the one-story glass and brick building.

No one was hurt in the fire Wednesday, and the zoo's animal residents were not endangered. Damage was estimated \$25,000 or more.

Annual Dance Planned By Columbiana Group

COLUMBIANA — The annual Sweetheart Dance will be held by the Columbiana Square Dance Club from 9 p.m. to midnight Feb. 9 at South Side School.

Joe Hoffman's orchestra will play or round and square dancing. Vince Andrusis will call the square dances.

Lunch will be served. A special program has been planned. The public is invited to attend.

Tickets may be purchased at the door.

THE ANNUAL MOTHER'S March will be tonight with members of the Welcome Wagon Newcomers Club participating. Mrs. George Householder, club project chairman, has announced that members will begin soliciting in their districts at 6:30 p.m.

Residents are asked to leave porch lights on. Marchers will meet afterward at the Valley Golf Club for refreshments.

Elks Lodge Visitor

Robert Antram

Robert N. Antram of Alliance, secretary-treasurer of the Ohio Elks Association, will make an official visit to the Salem Elks lodge tonight at 8, it is announced by William E. Watkins, exalted ruler.

Antram, a former ruler of the Alliance BPOE, has been district secretary since 1953 and is serving his third term as state secretary-treasurer. An Elk since 1939, he has been active on the Elks veterans hospital entertainment committee for many years.

He will discuss the charitable projects sponsored by the order including cerebral palsy treatment clinics, youth and scholarship activities, veterans hospital entertainment, community welfare, and Americanism, said Anthony Brelih, local lodge secretary.

Rogers Boy Hurt When Hit by Car

ROGERS—Jerry Lee Young, 5-year-old son of Mr. and Mrs. James Young, was injured when he was struck by a car on Rt. 7 in the village at noon Wednesday.

The boy suffered a cerebral concussion, a possible fracture of the shoulder and possible internal injuries. He was admitted to Salem City Hospital where his condition is reported as fair.

Rogers Marshal Keith Cope, who investigated, said the boy was struck by a car driven by Donald Curran of Signal in front of the Homer Barnhouse residence when the youngster dashed into the road.

The boy was on an errand to a nearby store.

Canton Man Hurt As Train Hits Car

Charles Gantz, 37, of Canton was admitted to Alliance City Hospital about 11 a.m. today after the car he was driving was struck by a Pennsylvania Railroad train in Maximo, west of Alliance.

The extent of Gantz's injuries were not immediately determined. He was alone in the car.

In another train mishap, two freight cars on a Pennsylvania Railroad train derailed earlier in Alliance, tearing up a section of the westbound track. Traffic was shunted to the east track until repairs are completed.

Wetzel Submits Two Propositions

By News Correspondent
COLUMBUS — State Rep. Clarence L. Wetzel (R-Columbiana County) today reintroduced a bill to convey a 66-acre tract of land in Salem Township, Columbiana County, to the Salem Hunt Club for a state game preserve.

A similar measure was introduced by Wetzel two years ago but the Ohio legislature failed to act on it.

Wetzel also co-sponsored a bill which would permit members, board officers and employees of a county agriculture society to hold public office. This would amend a section of the Ohio General Code which was responsible for Galen Greenisen, a Columbiana county commissioner, for having to relinquish his post on the county fair board because he was an elected county commissioner.

Not Earlier, Later, Lamoncha Declares

Theron Lamoncha, operator of Theron's Country Store on Rt. 164 near Columbiana, appreciates publicity as a business booster.

"Any kind of publicity gets us better known," he said, "but good publicity gets us better liked."

Lamoncha said a statement he made at the Blue Laws hearing before the state legislature in Columbus Tuesday was misquoted by attending reporters who wrote he stated, "We used to open the store late on Sunday, but now we open early to give the ministers first chance." This made it appear as though ministers are regular Sunday shoppers, which is not true, he said.

Lamoncha declared he actually stated, "We used to open early but now we open later to give the ministers first chance."

"I'm sure there are times when they appreciate being able to pick up a few necessities," he said.

DEMS DRAFTING SLATE

EAST PALESTINE — The City Democratic Club will meet Monday night at City Hall when they will announce a slate of candidates for elective offices in East Palestine to be voted on at the May primary.

COLLISION REPORTED

Cars driven by Frank Leone 58, of 745 W. State St. and Harry Lee Bowker, 29, of 29 S. Elm St., Columbiana, were damaged when they collided at 3:37 p.m. Wednesday on E. Second St. 25 feet west of N. Lincoln Ave.

ferences," he has said.

At Diefenbaker's suggestion the United States and Canada opened negotiations two or three months ago, the United States said, on the problem of supplying nuclear weapons for Canadian armed forces.

These talks have been exploratory and inconclusive, the state department declared.

Basically all of Canada's opposition parties are opposed to arming Canada with nuclear weapons. However, Person has said that since Diefenbaker committed Canada to them, he should honor the commitment and then get out of the nuclear role through negotiations.

The view in Ottawa was that U.S. patience had run out.

collect the money to finance the new high school building at the intersection of Route 224 and Duck Creek Rd.

The Farmers National Bank in Canfield is the depository for school money.

By March 15, according to Superintendent Maurice Jones, the board hopes to have the school plans ready for bidding so that the contract may be let in mid-April.

The board changed its February session from the usual meeting date of the third Wednesday of the month (Feb. 20) to Feb. 13 to permit some members to attend the convention of the American Association of School Administrators in Atlantic City Feb. 16-20.

Farm Bureau Group Will Meet Tonight

An oyster supper and final reports on membership drive will be held this evening when the Columbiana County Farm Bureau Federation meets at the New Garden Christian Church.

Galen Greenisen of Salem RD 2, membership chairman, will preside.

PUT OUT CAR FIRE

Salem firemen were called to 688 E. 7th St. at 1:55 p.m. Wednesday to extinguish a fire in an automobile owned by Charles Schnell of Albany Road. Fire Chief E. M. Bush said the car's wiring and fan belt were damaged.

For best results it is wise to prefinish wall panels before installing them. A good seal coat plus a coat or two of clear plastic lacquer or varnish is best applied when the boards are flat, and sanding is much easier.

all new degree programs and creation of new departments, and would direct state university branch expansion. The regents would have no control over grants and gifts made to universities.

Longworth said, adding that "I've been much concerned that we do not interfere with individual control of grants and gifts."

The bill would also establish seven as the number on each state university board. Most have that number now.

W. A. Hunston Again Heads Palestine GOP

EAST PALESTINE — Walter A. Hunston, member of the Columbiana County Board of Commissioners, was re-elected for a second year as chairman of the Men's Republican Club Wednesday night.

Harry Rorabaugh is vice-president. Elbert Seagle, secretary, and Alan Hill, treasurer.

The 1963 membership drive will be headed by Robert Crane.

The club established the regular meeting date as the fourth Wednesday of each month at 8 p.m.

Modeling were Mrs. Elton Neumann, Mrs. Sam Brown, Mrs. Mason, Mrs. Harold Milner, Mrs. Donald Lease, Miss Juanita Schwartz and Mrs. Robert Love. Their hair styles were by Mrs. Janie Grandolfo and Mrs. Mary Saylor.

Each guest was presented a daffodil corsage, and special prizes were won by Mrs. Wendell Church and Mrs. H. W. Rutledge. Mrs. Neumann and Mrs. Robert Kanunsky were co-chairmen in charge of arrangements for the event. They were assisted by Mrs. Al Sanders, Mrs. Charles Dunlap, Mrs. Deane Phillips, Mrs. Donald Rinard, Mrs. Wells Vaughn, Mrs. Franklin Henderson and Mrs. Helen Brooks.

Wearing Hawaiian costumes were Mrs. William Tomkinson, Mrs. Clifford Ayers, Mrs. Ronald Kroff, Mrs. Don Oesch, Mrs. William Theil, Mrs. Gary Shasteen, Mrs. William Grimm Sr. and Mrs. James Shasteen. Mrs. Oesch greeted the guests at the door.

Mrs. Helen Myers was in charge of registration for the winter classes which begin next week and will continue through the week of March 25.

Scheduled are beginners sewing, 10 a.m. Wednesdays, instructed by Mrs. J. W. Benson; the Hook and Needle Club at 1 p.m. Thursdays with instruction offered in all forms of needlework, and the new dancing school for girls and boys in grades 6, 7 and 8 from 3 to 5 p.m. which begins this Saturday and is being taught by Bill Cassidy.

Those wishing to take these or other classes offered at the "Y" should register now at the YWCA office.

Witnesses Sought In Fatal Crash

The body of Melvin Townsend, 40, of Warsaw, Ky., who died instantly Tuesday in a spectacular crash on Route 224 near Ellsworth Center, was moved Wednesday from the Williams Funeral Home in Canfield to the Carlton Funeral Home in Warsaw.

The Canfield patrol is seeking witnesses to the tragic accident near noon Tuesday to verify and bolster facts gathered in its investigation.

The accident was Mahoning County's first fatal traffic mishap of 1963. The county was free of death on the highway for 34 days before that.

Patrolmen said Townsend, alone in his truck loaded with pharmaceutical and other supplies, apparently fell asleep before his van plunged off the highway and through a grove of trees, uprooting six of them.

Townsend died of a crushed chest, fractured neck and fractured hip, an autopsy by Dr. Nathan Belinky, deputy coroner, revealed.

P. W. Freshley Of Homeworth Dead At 86

Palmer Warren Freshley, 86, a former Knox Township trustee clerk and school teacher, died Wednesday at 2:15 p.m. at the Irish-Zuffall Nursing Home in Alliance following an illness of eight months.

Born in Knox Township March 1, 1876, he was a son of Mr. and Mrs. Jesse Freshley.

A resident of Homeworth prior to entering the nursing home, he retired in June, 1962, as a Dairy Herd Improvement Assn. milk tester. Previously he was a grocer, horse trainer, dairy and ice cream dealer and meat dealer in the Knox Township area where he resided all his life.

He attended Mount Union and Ada College and at 71 took a milk testing course at Ohio State University's agricultural school. He was a milk tester 15 years.

The second oldest of a family of 12 children, he married the former Anna Dora Unger Dec. 18, 1906. She preceded him in death.

He attended Homeworth church and was the first president of the Knox Township Senior Citizens Club.

Mr. Freshley is survived by a daughter, Mrs. Wade Hoover of Alliance; six sons, Donald of Alliance, Albee of Homeworth, Wilson of Wooster, Paul of Milwaukee, Wis., Rev. Wendell Freshley of Cincinnati and Dr. Dwight Freshley of Nashville, Tenn.; four brothers, Homer of Lake Placid, John of South Bend, Ind., Monroe of Lisbon and Allen of RD 5, Alliance; 25 grandchildren and 11 great-grandchildren.

Funeral service will be held Saturday at 2 p.m. at the Cassaday & Turkle Funeral Home in Alliance, with Rev. Robert Swanson, pastor of the Middle Sandy Presbyterian Church in Homeworth, officiating. Burial will be in Mount Union Cemetery.

Friends may call Friday from 7 to 9 p.m. at the funeral home.

With Patients

Peter Charles Wukotch, 14, son of Mr. and Mrs. Joseph Wukotch of 895 Arch St., was treated and released at 10:50 a.m. Wednesday at the Salem Central Clinic for a fracture of the right foot received when he fell while playing basketball in a gym class at the Junior High School and was tramped on by another player.

Salem Man Fined For Assault, Battery

Joseph Quinn, 43, of 1254 N. Ellsworth Ave., was fined \$50 and costs and sentenced to 10 days in jail by Mayor Dean B. Cramer Wednesday night after Quinn was found guilty of assault and battery.

The jail sentence was suspended pending good behavior for one year.

Quinn was arrested after striking David Lindsmith, who was engaged in work at the Ohio Recapping & Auto Supplies, 301 W. State St., earlier in the evening, police said.

Mrs. Ed Fults

Mrs. Gertrude Ella Fults, 86, of 1439 E. 3rd St., died at 12:40 p.m. Wednesday at her home. She was injured in a fall three weeks ago.

Born in Greenville March 19, 1876, the daughter of Sathiel and Ella Roller Bates, she lived in the area all her life, and married Ed Fults Feb. 17, 1897. He died in 1948.

She was a member of the First Christian Church, Loyal Men and Women's Class and the Salem Senior Citizens.

She is survived by three daughters, Mrs. Henry Jensen and Mrs. Verna Greene of Salem and Mrs. Harry Bichsel of Kiskimiee, Fla.; two brothers, Morrell Bates of Salem and Art Bates of Grand Rapids, Mich.; 14 grandchildren and 26 great-grandchildren.

Services will be at 2 p.m. Saturday at the Arbaugh - Pearce Funeral Home in charge of Rev. Harold Deitch. Burial will be in Grandview Cemetery.

Friends may call at the funeral home Friday evening.

Kirby McClellan

LISBON — Kirby G. McClellan, 33, of Lisbon RD 3, died Wednesday at 8:25 p.m. at his home after being in failing health for three years.

Born Jan. 7, 1870, in Wayne Township, a son of Albert and Margaret Everett McClellan, he lived his entire life in this vicinity. He was a retired stationary engineer.

His wife, Helen Neil McClellan, died in 1955.

Survivors include one daughter, Mrs. Ruth Halverstadt of the home, three nephews, one niece and five grandchildren.

Services will be held Saturday at 1:30 p.m. at the Henry Funeral Home by the Rev. William V. Ring, pastor of the St. Jacob's United Church of Christ. Burial will be in Lisbon Cemetery.

George L. Knavel

George L. Knavel, 81, of 351 Woodland Ave., died of a cerebral hemorrhage at 9:30 p.m. Wednesday at the home of his daughter, Mrs. Steven Dailey of the Depot Road. He became ill a week ago while visiting his son in Honolulu, Hawaii.

Born in Conemaugh, Pa., Aug. 1, 1881, the son of Abraham and Elizabeth Palmer Knavel, he was formerly employed as a boiler fireman by the Salem City Hospital, retiring six years ago. He lived in Salem for 20 years, coming here from Carrollton, and was a member of the First Baptist Church and the Senior Citizens Club.

Mr. Knavel is survived by his wife, the former Esther Agnes Huffman, whom he married July 8, 1916; four daughters, Mrs. Thomas Markovich of Portland, Ore., Mrs. Earl VanFossan of Columbiana, Mrs. Joseph Janovec and Mrs. Dailey of Salem; two sons, George L. Knavel Jr. of Brigham City, Utah, and Sgt. Grant Knavel of the Air Force, stationed in Honolulu; a sister, Mrs. Grover Snyder, and a brother, Earl Knavel, both of Conemaugh; 16 grandchildren and five great-grandchildren.

Services will be held at 2:30 p.m. Saturday at the Stark Memorial, with Rev. Ray Hunter officiating, assisted by Rev. Harold Winn, pastor of the First Friends Church. Burial will be in St. Jacob's Cemetery.

Mrs. Curtis Cramer

CANFIELD — Mrs. Elizabeth Cramer 76, of 30 Lisbon St. died at 1:30 a.m. today in Youngstown North Side Hospital of a heart ailment, following a 10-day illness.

Born Sept. 6, 1886, in Ellsworth, she was the daughter of the late Homer and Mary Brooke Williams. In 1909 she married Curtis Cramer who died Oct. 12, 1946. She was a member of Canfield Methodist Church and Dublin Grange.

Surviving are one daughter, Mrs. Emerson Libb of Canfield, and seven grandchildren.

Funeral services will be at 1:30 p.m. Saturday at Williams Funeral Home in Canfield, with Rev. Mead Letts officiating. Interment will be in Canfield Cemetery.

Signs of Middle-Age

By HAL BOYLE

NEW YORK (AP)—How can you tell if you are middle-aged? Sometimes your best friends won't tell you. On the other hand, wives usually make a man feel older than he is by constantly cautioning him. "Remember, you are not as young as you used to be." (Who ever actually is? No-body.)

But there are certain ways a man can discover for himself whether he has reached the shady side of life's slope.

For example, you are probably middle-aged if—

You can still remember what Theda Bara and Wallace Reid looked like.

You spend more time working crossword puzzles than you do watching pretty girls go by.

They seem to be making staircases longer and the steps higher and farther apart.

You daydream about retiring to Florida on \$250 a month instead of living as a beachcomber with a dusky native lass on some South Seas isle.

The boss starts rewarding you

with a pat on the back, in place of a pay hike, figuring you no longer have the courage to look for a better job.

The people you associate with talk more often of security than they do of opportunity.

Any man under 40—or any girl under 35—bores you after 15 minutes.

You'd rather listen to a discussion on gallstones than an argument about baseball.

The desk at your office holds more empty aspirin bottles than letters you wouldn't want your wife to see.

Every new blizzard reminds you of one in your youth that was ever so much worse. They just don't have winters like that any more.

You can no longer enjoy a desert at lunch without a feeling of guilt—and a stomach pang later.

People don't seem as honest or as idealistic as they used to.

You're so tired of living through international crises you wouldn't walk across the street to see Fidel Kastro get a free shave from Nikita Khrushchev.

Everything you see today reminds you of something that was better in the old days.

Such are the personal signposts that announce you're middle-aged.

Youngstown To Get Research Center

COLUMBUS Ohio (AP) — Youngstown Sheet & Tube Co. told state officials Wednesday that ground would be broken about March 1 for a \$5 million research center in Youngstown.

Vice President Karl Feters said Youngstown was picked over Chicago as the site for the center. He explained that Ohio's economic and academic climate led to the selection of the site on a 35-acre plot near the firm's general operations building.

The present force of about 90 researchers and technicians will be expanded to 125 by the time the center is opened in June, 1961, Feters said.

The center will include three buildings containing a total of about 80,000 square feet of floor space.

In the Service

Mr. and Mrs. Robert E. Miller, Sr., of Senior St., Washingtonville, have received this new address for their son, Wilbur, who joined the Air Force recently: Wilbur F. Miller, Box 1507, Flight 119, Lackland Air Force Base, Texas.

HIGH CARD IN SPAIN'S HAND — Franco is demanding help in modernizing his military forces in exchange for allowing the United States to continue use of U.S. bases now on Spanish soil. Naval base is at Rota. Strategic Air Command bases are at Torreon, Zaragoza, and San Pablo.

Rogers

Miss Shirley Pancake daughter of Mr. and Mrs. Robert Pancake of RD Rogers was installed as worthy adviser of the Order of Rainbow for Girls at an open installation service held recently at the Masonic Temple in Negley.

Other officers installed were: Frances Mast, worthy associate adviser; Loretta Noel, charity; Veronica Buska, hope; Shirl Norton, faith; Nancy Swaney, record; Mary Lou Miller, treasurer; Sherry Pease, chaplain; Carol Barnhouse, drill leader; Laura Strader, love; Carolyn Smith, religion; Kay Porter, nature; Judith Goodhart, immortality; and Renee Blower, fidelity.

Also installed were: Marcia Ginder, patriotism; Gretchen Dickey, service; Barbara Hayes, confidential observer; Penny Graham, outer observer; Patty Cope, musician; Linda Stillwell, choir director; Karen Hawkins and Sandra Norton, flag bearers.

Performing the service were: Sandra Pancake, installing officer; Darlene Gorby, installing chaplain; Carol Goodhart, installing recording; Beverly Boyd, installing marshal; Alverda Davidson, installing marshal; Gayle Lindsey, installing soloist; and Marcia Hawkins, installing musician.

Miss Shirley Pancake was presented a gavel by Miss Mast and her parents were escorted to the east and presented flowers.

Miss Sandra Pancake, past worthy adviser, was presented a pin and Mrs. Amy Bush, past mother adviser, was presented a scrapbook by Miss Davidson.

Mrs. Mildred Kidder, new mother adviser, was installed by Mrs. Ann Moore of East Palestine, grand deputy of district 5

who also installed the advisory board.

Rev. Theodore Nusser, minister of Mt. Zion Methodist Church, was guest speaker and used the topic, "Prayer."

Green lighted tapers and bouquets of white carnations decorated the buffet table from which refreshments were served by Frances Mast, Loretta Noel and Veronica Buska. Marcia Ginder, Patty Cope and Karen Hawkins were in charge of the guest book welcoming.

A FAMILY PARTY was held Jan. 15 at the home of Mr. and Mrs. Sidney Cowan in honor of the first birthday of their daughter, Julie Ann.

Julie's brother, Sidney Cowan, Jr., Mr. and Mrs. Louis Raymond, Sr., Louis Raymond, Jr. of Salem, Mrs. Virginia Cowan and Mr. and Mrs. Harve Cowan of Charles Click of East Liverpool were present.

This Is Definitely Not A Dog-Gone Story

CINCINNATI (AP) — Want to make a fast buck? Catch a fast dog.

The place to make this easy money is suburban Newtown, which is plagued by a dozen dogs with a habit of upsetting garbage cans and establishing squatter's

rights on citizens' lawns.

Since the town can't afford a dog-catcher, it set up a bounty of \$1 a dog — alive and barking, ready for delivery to county dog

pound.

"We can't catch 'em—they're too fast," Mayor Wendell Long admitted after Project Bounty went into operation.

"Only one dog was caught—but remember, the weather's against us."

Chemists Seeking Solution to Sewage Plant Problem

Many Cities Suffer From Washday Hangover

WORLD OF SUDS: A Philadelphia sewage disposal plant is gripped by washday hangover.

By WARD CANNEL

NEW YORK — (NEA) — Can it be that we stand a chance against the ravages of scientific progress?

A distant victory appears to be in the making against the billow of dirty detergent suds which rises like an iceberg over an increasingly serious U. S. water crisis.

That victory, still in the laboratory test stage is a molecule no larger than a grain of talcum powder — but, hopefully, capable of undoing some of the scientific

jeopardy thrown at us in the name of cleanliness.

Now, as far as public health people have been able to discover, used detergent suds — even at the 250,000-ton quantity we use annually — are not yet injurious to health. But what the future holds is still open to serious question.

THE PROBLEM IS that detergents behave after use the same way they satisfy household needs: by remaining fluid and suds, even in the hardest water areas, and seeping out of cesspools and through the ground water system and into the public water supply.

In laboratory terms, detergents are "hard" — not like old-fashioned "soft" soap which can be attacked, broken down and returned to nature by sewage-disposing bacteria.

Two parts of detergent in one million parts of water will foam. Sixteen parts of detergent can be tasted. And with the U.S. having abandoned more than 80 per cent of its soap in favor of detergents in the past 10 years, it is little wonder we are in rich, luxurious lather up to our necks.

In areas where houses have been built too close together, used detergent suds come foaming out of water spigot and cesspool. In over-concentrated population centers, sewage disposal systems are afroth with dirty suds. In jerry-built apartment houses, it is not too unusual for billows to back up many stories from the sewer and pour into apartment sinks and bathtubs.

In a nation already water-harvested in many areas and hazardedly polluted in others, the synthetic detergent suds have become one more big headache.

The answer? Something in a hurry, everyone admits.

BUT SOAP MAKERS, many of whom are in the detergent business now, see no possibility of returning to the old days of "soft" animal-fat detergents.

The solution, more than likely, depends on what chemistry can do about re-building the "hard" synthetic detergent to make it degradable in sewage disposal systems.

One laboratory breakthrough has come from Union Carbide's Linde Division in the form of a sieve made of aluminum, oxygen and silicon atoms.

This aluminosilicate sieve mixed with the basic detergent, pulls out the "soft" detergent molecules which can then be processed into a cleanser capable of being broken down by bacteria once the suds have been drained out of the house.

New developments in rebuilding the detergent are also being reported by the Johns Manville Co. Meanwhile, the California Chemical Co., industry observers say, has come up with a method for

dealing with the hard detergents in sewage disposal plants by agitating the water, forcing the detergent to froth, and then skimming off the dirty suds.

INDUSTRY CRITICS, however, are quick to point out problems in both the sieve and the disposal methods.

What do you do, they ask, with the skimmed-off, hard suds? Recirculating them in the disposal system may get rid of some, but basically brings you back to where you started from.

And the molecular sieve method, they say, may make a soft detergent, but it also makes an expensive one. Many outsiders patrolling the industry say that a new, soft, economical detergent as good as the old is still quite a few years of hard work away.

To the casual observer, dipping briefly into the drainpipe, it is encouraging to see that technological progress — like the journey from soap to detergent — has not resulted in unemployment.

Rift In Western Camp Pleases Soviet Bloc

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—The Russians and Red Chinese weren't getting along but after one look over the Berlin wall at what's happening in the West they can start dancing in the streets.

It's a mess. Away back in the summer of 1961 President Kennedy was anxious to work out some settlement with the Russians on Berlin. French President Charles de Gaulle disdained to take part. West Germany belittled American ideas and efforts.

By last May Kennedy was so burned up he told a news conference:

"It isn't difficult to say you shouldn't do this or that, and at the same time some countries do not play as active a role as we've been willing to play in an attempt to work this out."

Just a few days before, Secretary of Defense Robert S. McNamara had taken a swipe at this country's NATO allies for not meeting their agreements in providing forces for the alliance.

The United States had 400,000 troops in West Germany, the British only 51,000, and De Gaulle, busy with a war in Algeria, had his troops there. NATO is supposed to have 30 divisions, it has only 24.

De Gaulle was miffed at the United States anyway. He's trying to make France a nuclear power and the United States wouldn't share its atomic know-how with him.

The United States promised to put five of its Polaris missile submarines into the NATO defense, but under American command—although under the technical control of NATO.

This country wasn't happy at the thought of its various NATO partners eventually all having nuclear forces of their own. So last November it suggested an integrated European nuclear force within the NATO framework.

This would be a blow to De Gaulle's ambitions for a strictly French nuclear striking force. Kennedy was still bothered by the NATO partners' failure to put their share of conventional forces, like troops, into NATO.

He said so in his televised interview in December. He said the six American divisions in NATO are the best equipped and "they can fight tomorrow, which is not true of most of the other units."

Then, reviewing all this country has done over 15 years to help Western Europe with men, money and weapons, he said "think it is a fantastic story."

Americans felt the NATO forces were so understrength they would have trouble blunting even a moderate Soviet attack.

But it was also in December that Kennedy offered both the British and the French Polaris missiles. They'd have to make their own nuclear warheads for them. The British bought the idea. Not the French.

House Trailer License Sales Drop In County

LISBON — A total of 500 house trailer licenses were sold by the deadline Wednesday, according to Auditor Kenneth Bell. This is 170 short of the number issued last year.

A \$1-a-day penalty up to a \$25 maximum will be added to any trailer license purchased from now on.

Bell said a survey will be made of the county as soon as weather conditions become more favorable, and persons having unlicensed trailers will be assessed the penalty.

FUNERAL SERVICES SET

CLEVELAND (AP) — Funeral services for Jay Iglauer, 80, a retired department store executive and accounting expert, are scheduled for 2 p.m. Friday. He died of a heart attack Wednesday at his home in Cleveland Heights.

Iglauer was executive vice president and treasurer of Halle Bros. Co. when he retired in 1951.

De Gaulle said that would take some thinking.

Still up in the air was the idea of a multinational nuclear defense in Europe. Meanwhile, Britain wanted to get into the European Common Market with France, Italy, West Germany, Belgium, Luxembourg and the Netherlands.

Then De Gaulle let go: He wanted no part of the American idea of a multinational nuclear defense, he didn't want the Polaris missiles, and he didn't want Britain in the Common Market. In effect, what he said was: He wanted a Europe for the Europeans.

This also, in effect, said he considered the British outsiders. It could even be taken to mean he wanted the United States to get its troops out of Europe although France couldn't even defend itself against Russian attack without U.S. help.

Kennedy in a news conference last week snapped at De Gaulle. Minister Harold Macmillan took a hard poke at him without mentioning him by name.

The Belgians, the Italians and the West Germans were burned up at the frenchman. The French sat pat. The United States put on the air that things would work out. The British didn't know what was going to happen.

And the rest of the partners in NATO and the Common Market can't even guess what's next. De Gaulle acts like a man with a halo. He doesn't feel he has to argue. He just states.

HOOP TALK

By...Double Dribble

Ah, good evening, friends. Doesn't the first snow of the season make you feel good? Let's get right down to brass tacks today. I have a lot to say.

As you know, Salems Quakers twisted the tigers tail Friday night to start off the festivities... Only to falter the following night and go down to defeat at the hands of the Akron Cavaliers. It's been said by some that the officials may have cost them this game... but the scoreboard said it was VISITORS. All I am going to mention is it didn't say HOW MANY Visitors had the score shown there-on.

As for Tuesday night, for many, this was the sweetest night of all! Youngstown South's Warriors dropped their Spears and ran before the Quaker's war machine to the tune of 107 to 71. This win alone, more than offset the defeat on Saturday.

And now to this week's game in the crockery city! This is another Big 8 game, but outside of points toward the Sportsmanship trophy, it means very little to either team... that is as far as the big 8 goes. We all know that when Salem and East Liverpool meet on anything from tackle football to tiddley-winks, both teams pull all the stops. East Liverpool's record is a very misleading thing... it's 2 and 9... but quite a number of those 9 games were over-times, and one loss was a 3 pointer at the

hands (or should I say paws?) of the Warren Black Panthers. This team, size-wise is not the biggest in the area... they stand at 6-1, 6-1, 6-0, 5-11 and 5-9. But they do have a lot of determination and hustle... and let's face it... It's East Liverpool Vs. Salem at East Liverpool. Look for a real tough tussle and forget the records.

And now, hold out your fingers, you're about to have them slapped! Although I enjoyed the Salem-South game, I certainly didn't enjoy watching the fans. It seems that that \$1 ticket is the magic

wand that turns some of you people into a long eared stubborn grey animal (which shall remain nameless) as soon as the doorman tears it in half. The only thing lacking at this game was Nero in his box and a few Lions on the floor. We already had the mob from the Colosseum in the Stands. Are you the same people by any chance, that pushish Jr. for an impolite word or two to one of your relatives or friends? The same people that gives sis the word when she's caty about a person she doesn't particularly care for? The same people that think old so and so is a clod for telling you he doesn't like the way you sound on the telephone?

Let's face it! Rome is dead and the kind of games they had went out quite a while back. The closest the modern world comes to it is boxing, and if it's blood you want, that's your sport... NOT High School basketball... Next time you get the urge to scream at the ref, or yell at a player on the opposing team... take a good look around you. If you have the feeling you must express yourself, someone else is probably already giving in to this urge... and what you see in them... should be enough to keep your mouth shut When you do open it... why not make it for cheers instead of jeers... no one minds a cheer... even your opponent... Enough said. And so friends, if I may still call you that, that's for this week.

Salem Travels To Battle East Liverpool Friday Night

Potters Show Only 2-9 Mark

Cline Leads Rival With 21.8 Average

Salem High School will make one of its final two road trips of the season when the Quakers travel to East Liverpool Friday at 8:30 p.m.

The Potters are a lot better than their record 2-9 indicates. East Liverpool has lost twice by five points and once each by four, three and one.

"At home the Potters are always tough and they will probably be fired up for us," commented John Cabas just prior to today's practice.

Both Salem and East Liverpool have been beaten by Ohio Big 8 Conference opponents Massillon and Warren.

SALEM FELL 64-60 at Harding and 70-62 at Massillon. The Potters, playing at home, were set back 79-76 by Harding and 71-50 by Massillon.

East Liverpool's probable starting lineup will consist of seniors Dean Cline 6-2, Ed Prentice 6-2 and Roger Linville 5-11, and juniors Frank McComas 6-0 and Bob Forzano 5-10.

Cline has scored 240 points for a 21.8 average. McComas is the second leading scorer on the squad with a 10-point average.

East Liverpool Coach Jim Harris, in his fourth year as head mentor, said, "Salem is the best shooting team we will face all season."

Last year Salem trimmed the Potters 74-58.

COACH CABAS will start Bill Beery 6-1, Rich Sweitzer 6-1, Bob King 6-5, Marlin Waller 6-0 and Rick Platt 5-9.

John Ziske 6-1 and Dave Capel 5-9 probably will see considerable action.

Two losses handed East Liverpool during the campaign were by Wellsville 57-53 and Youngstown 62-57. Salem has whipped the Bengals 79-64 and South 107-71 in two of its last three starts.

A preliminary clash between Coach Karl Zellers' Salem Junior Varsity and the East Liverpool underclassmen will start at 7 p.m.

The Salem JV's have won five straight and are 7-5 for the season.

Kneece, Dickinson Shoot 66s To Lead Palm Springs Tourney

By JIM BACON
PALM SPRINGS, Calif. (AP) — Harold Kneece and Gardner Dickinson, each with opening rounds of 66, paced the \$50,000 Palm Springs Golf Classic today, but Gary Player was close by with 67.

"I hope this doesn't sound like I'm bragging but I can truthfully say my game right now is the best in my life," said the South African star.

His was the best card of golf's big three. U.S. Open champion Jack Nicklaus shot a 69 and defending champion Arnold Palmer had to scramble for a 71, par over the Indian Wells course. It is

rated one of the easier of the four courses used in the marathon 90-hole tournament.

Bob Shave Jr., of Willoughby, Ohio was tied with Player at 67. Another untouted pro was Pat Schwab of Wilmington, De. He shot a 68 opening round to tie with Tommy Aaron, Dave Hill

and Bo Wininger.

Bunched at 69 with Nicklaus were Tommy Bolt, Jimmy Demaret, George Bayer, Johnny Pott, John Cook Jay Hebert and Moon Mullins.

Robinson Triumphs Over Ralph Dupas

By JACK HAND

MIAMI BEACH, Fla. (AP) — Sugar Ray Robinson still is plodding down that long, long road with an unpopular split decision over Ralph Dupas added to his 23-year record.

"It's disgusting. It makes you want to retire," said Dupas, the loser Wednesday night at the Miami Beach Convention Hall. "I clearly won and didn't get the decision. What can you do to win."

MIAMI BEACH — Sugar Ray Robinson 162, New York, outpointed Ralph Dupas, 149½, New Orleans 10.

ROCHESTER Minn. — Duane Horsman, 167, Chatfield, Minn., knocked out Ernie Smith 167 Pittsburgh 1; Del Flanagan 164, St. Paul, outpointed Joe Davis, 163½, Omaha 10.

UNION CITY N.J.—Frank de Paula, 171, Jersey City, outpointed Marty Pettiford 174, Rahway N.J. 8.

TOKYO—Yukio Katsumata 134, Japan, knocked out Felix Coleman, 134, U.S. Air Force 2.

The crowd of 6,232 that paid \$25,558 one of Miami Beach's best fight gates, booed the decision.

"If the fight was close," said Dupas, 27, of New Orleans "he might have got it. But it wasn't even close."

Robinson a six-time champion in the welter and middleweight division, had a 12½-pound edge on Dupas at 162 pounds to 149½ in the 10-round match. The faded Sugar proved he still could move around but the punches no longer came in stunning rapid suc-

Salem Freshmen Lose 3rd 49-34

A fired up Alliance State Street evened its series with Salem by posting a 49-34 decision over the Quakers on the winners' floor Tuesday.

Coach Tom Cope will take his team to East Liverpool to clash with the Potters today.

Salem dropped its third game of the season at Alliance. The Quakers have posted nine victories.

Rick Klepper was unable to play, and his rebounding was missed. The Quakers also blew several easy layups off fast breaks.

Alliance led all the way with period scores of 16-6, 31-15 and 41-28.

Mike Moretti took scoring honors for State Street with 24 points. Jim Lantz led the Red and Black with 15 markers.

State Street has lost only once this season. The Alliance school was beaten 37-29 by Salem Jan. 8.

By MARK W. MILLER

Only once this season has Salem met a team that was able to run up a higher shooting percentage.

Against Columbus East in the opener, the Quakers shot 33.9 for their season low, while the Tigers hit at a 39.5 clip.

Since that 75-49 loss, Salem has shot 50 per cent or higher on five different occasions. The high for the campaign was in the 65 - 62 setback at the hands of Akron South.

COACH CABAS' aggregation canned 24 of 39 from the field for 61.5 per cent during that tilt. In their win over Youngstown South, the Quakers fired a 61.4 clip.

In its 13 games, Salem has chalked up 979 points for an average of 76.8. The Quakers have allowed their opposition 841 for a 64.6 average.

Salem has tried 810 shots from the field and canned 380 for 46.9 per cent. At the charity circle, the Cabasmen have tossed in 219 of 335 for 62.3 per cent.

The opposition has tried 70 more shots from the field (880), but have made 43 fewer (337) for 38.2 per cent.

At the foul line, the 13 schools haven't been too successful, sinking 167 of 287 for 58.2 per cent.

TWO RECORDS have been set so far. The Quakers have broken the school mark for most points in one game with their 107-71 victory over Youngstown South, and Senior Bill Beery has a three-year-career total of 957 points, 57 more than the 900 canned by Jack Alexander in three seasons. Alexander established an alltime scoring record of 1,050 markers over four campaigns.

During home games this season a few of the head college coaches who have been here to look at the Salem athletes are Lester Hooker of the University of Richmond and Bill Martin of Bethany College, W. Va.

Other representatives have come from William and Mary College, University of Maryland, and several Ohio colleges.

THE POWERFUL Niles Red Dragons are finding it hard to get enough opponents to complete their 1963 football schedule.

The 1962 state runnersup (1961 state champions) have open dates Oct. 11 or 12 and Oct. 18 or 19. Niles has chalked up an enviable 35-0-3 record over the past four seasons. In 1960 it was picked No. 2 in the state behind Massillon.

Any school interested in playing Coach Tony Mason's aggregation should contact Athletic Director Larry Pallante at Niles High School.

WILLIAM COX, 27, of Pitts-

burgh, is the new golf pro at Youngstown Country Club. He was named Tuesday to succeed Eddie Griffiths, former Ohio Opener champion who resigned after seven years at the club to become the pro at Chagrin Valley Country Club at Cleveland.

The Cleveland Browns have obtained fullback Mel Triplett from the Minnesota Vikings in exchange for offensive end Leon Clarke. Triplett, a former Girard High School and Toledo University back, has been with the Vikings the past two seasons but played only sparingly in 1962.

Prior to going to Minnesota, the 6-1, 215-pound athlete was a great fullback for the New York Giants.

THE SIGNING of Joe Adcock by the Cleveland Indians brings the total to 10 players now under contract for the 1963 season.

Adcock, 35, will be starting his 14th major league season. The Tribe obtained him, along with pitcher Jack Curtis, from Milwaukee for pitcher Frank Funk and outfielder Don Dillard.

There are only 70 days remaining until the baseball opener at Municipal Stadium in Cleveland.

ROBERT DOVE, 6-6, of Canfield is the tallest player on the freshmen basketball team at Ohio State University. He is one of 14 members being coached by Frank Truitt.

The powerful Beaver Local wrestling team will grapple with Crestwood at the Beavers' gym Feb. 12. The match was postponed last week.

Cincinnati Reds' pinch hitters made 55 hits in 1961 and again last season.

NFL Title Game TV Bids May Reach \$750,000

By JACK HAND
MIAMI BEACH Fla. (AP)—The new television contract for the National Football League's title game is expected to result in frantic bidding that will top the old high of \$615,000 in the pact that

expired with the 1962 game. Commissioner Pete Rozelle said Wednesday he would call for bids prior to the spring meetings, the date and site of which have not been set.

As the contract jumped from \$200,000 to \$615,000 in the last negotiation, a healthy increase is probable, possibly as high as \$750,000 for one game.

The contract for regular season games runs through 1963. That calls for \$4,650,000 a year. The owners will discuss instructions for bidding on a renewal at the spring meeting.

In 1962, the regular season games were carried by one network (CBS) and the title game by another (NBC).

The NFL completed its regular business Wednesday. The owners will work out their pre-season exhibition schedules before leaving for home today. Each club will announce its schedule later.

The league renewed the Playoff Bowl game at Miami's Orange Bowl for one year. The game, played between the second-place teams in the league's Eastern and Western Conferences, is held the Sunday following the title game.

One minor rule change will give the offensive team more room to operate in a punting situation inside its own 15. To avoid the chance of the goal posts hindering the punter, the ball will be moved sideways to the hash marks 20 yards from the sidelines.

Niagara Risks 9-0 Streak

Drake Entertains Cincy Tonight

By The Associated Press
Comes now Drake, full of high hopes and dim prospects.

The Bulldogs, who have won only once in the Missouri Valley Conference this season, face the grim task of attempting to sidetrack Cincinnati's mighty Bearcats tonight in the top game on the nation's college basketball schedule.

The only other major undefeated teams is the country—Loyola of Chicago and Niagara—also put their perfect records on the line with only Niagara anticipating major difficulties.

Ohio College Basketball (Wednesday)
Youngstown 58, Geneva 51
Kings College 76, Malone 75 (ot)
Findlay 61, Mount Union 57
Ohio Northern 86, Olivet 49
Indiana Tech 97, Giffin (Ohio) 67

Niagara, with a 9-0 season record, heads into the heavy part of its schedule against rebounding Georgetown, D.C., tonight and follows against tough Providence. Georgetown sports only an 8-7 mark, but has won its last six. Cincinnati and Chicago Loyola, ranked 1-2 in the country, are heavy favorites over Drake and Washington of St. Louis, respectively.

Another key game pits Wake Forest against South Carolina. The Deacons will be seeking sole control of the top spot in the Atlantic Coast Conference.

Wake moved into a share of the ACC lead Wednesday night on the strength of a 79-70 triumph over North Carolina State. It boosted the Deacons' season record to 9-4, but 7-0 in the conference.

West Virginia's brilliant combination of Rod Thorn and Jim McCormick led the Mountaineers to

a 114-67 rout of Florida, snapping a two-game West Virginia losing string. The Mountaineers now are 13-5 for the season.

Detroit blew all but one point of a 16-point lead, then recovered in time to upset Michigan 83-70. Action involving Ohio teams as light again.

Youngstown scored its ninth victory with a 58-51 win over Geneva College as Ron Allen led the way with 21 points.

Findlay registered its seventh straight triumph by turning back stubborn Mount Union 61-57. Jim Rayford tallied 20 for the winners while Tony Archibald hit 16 for the Purple Raiders.

Kings College of New York got a basket in the final 15 seconds of overtime play to nip winless Malone of Canton 76-75. It was the 18th setback this season for Malone.

In other games, Indiana Tech

Drysedale Inks Dodgers' Pact

**Gets \$10,000 Raise;
Cardinals Sign Boyer**

By SHELDON SAKOWITZ
Associated Press Sports Writer
Evidently, the front office of the Los Angeles Dodgers is convinced that youth must be served—and apparently the brass feels that there's no more rewarding way to serve the baseball club's youth than by a healthy salary boost.

Fire-balling Don Drysdale and hard-hitting Tommy Davis were the recipients of \$10,000 raises today for their scintillating 1962 performances.

Big Don, 26, becomes the highest paid pitcher in Dodger history after signing his 1963 contract calling for about \$46,000. Davis, 23, agreed to terms calling for about \$25,000.

Drysedale won the Cy Young Award as baseball's outstanding pitcher. He won the most games in the majors 25, and his 232 strikeouts also were tops. Davis, the National League's leading batsman with a .346 average, led the majors in runs batted in with 153 and hits with 230.

Two other Los Angeles youngsters also signed Wednesday, Ron Fairly and Willie Davis.

Fairly, 24, is reported to have signed for about \$20,000. Center fielder Willie Davis, 22, is to receive an unspecified hike over his 1962 contract that called for \$11,000. He was selected National League Sophomore of the Year.

Third baseman Ken Boyer of the St. Louis Cardinals admitted he took a slight cut in pay, signing for an estimated \$45,000 Wednesday, a decrease of \$5,000 over last year's contract. Boyer hit .291 in 1962 the first time in five seasons his average dipped below .300.

Salem 8th Graders Post 78-24 Victory

With its highest scoring output of the season, Salem's eighth grade basketball team whipped United 78-24 at the Junior High gymnasium here Tuesday.

The Quakers will entertain Columbiana here today at 4 p.m. Farber Tinsley took scoring honors for the Red and Black with 28 points.

Salem posted its eighth win in 10 starts. The Red and Black led all the way with period scores of 23-5, 40-16 and 67-19.

Paul Fenneman, who hauled in 13 rebounds, chalked up 16 markers for Salem, and Chuck Montgomery chipped in with 13.

Coffee led United with eight points. Engle collected seven.

A word from THERON at the Country Store

Did you know we sell IGA butter, very good butter for just 59c per lb. every day of the week, have been for more than a year. There is no limit either. This is the butter we always use at the lunch counter. It is made by the world's largest butter maker.

The next time you buy a lb. of butter remember you could have bought it at the Country Store for just 59c. This is just one of hundreds of items that is a real money saver.

TV Villains Need New Occupations

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP) — It is getting harder and harder to find suitable occupations for television's villains.

Furious, complaining — even threatening — letters pour in every time a member of a profession or trade is painted in less than a heroic light. Today few programs dare present a quack doctor, a shady lawyer, a crooked cop, a

forgetful plumber, a heavy-handed dentist, a swindling stockbroker or a hard-hearted banker.

But now another less well-organized group is being alerted to the perils of the tarnished image. In the current issue of "Sales Management," a trade magazine, the editor writes angrily about the television picture of a salesman:

"He is a living, breathing and repulsive being who enters mil-

lions of living rooms nearly every day and evening."

The editorial described the TV salesman heavy as polished, poised, suave and well-dressed. The remedy editor Philip Salisbury suggests the one that other offended groups have used: Write complaining letters — to managers of stations that show the programs, with carbons to program sponsors who just may have some salesmen of their own.

Merv Griffin's announcement on his afternoon program Wednesday that NBC has cancelled his show effective March 30 (to be replaced by two soap operas) resulted in such a flood of telephone calls from viewers that it tied up the switchboard completely at one point.

Griffin said earlier that although NBC has been holding conferences about his future, "nobody has been negotiating with us or talked about anything specific."

Meanwhile, there are reports that ABC and CBS are very very interested in Griffin's future plans.

Recommended tonight: "George Gobel Presents," ABC, 10-11 (Eastern Standard Time)—Filmed variety show on the "Premiere"

series, and hopefully a preview of a next season series: "Andy Williams Show," NBC, 10-11 (Eastern Standard Time)—Lorne Greene and Dan Blocker of "Bonanza" are the guest stars.

Boosters At Beaver School Plan Events

ROGERS — Discussion of three coming events was held by members of the Beaver Local Booster Club when they met at the high school Tuesday.

Tentative planning was done for the annual smorgasbord to be held in the latter part of April, the spring sports banquet for the high school and the junior high school all-sports banquet. No dates were set.

Steve Barborak conducted the meeting. Bills totaling \$165.69 were authorized to be paid.

The next meeting will be at 7:30 p.m. Feb. 12 at the high school.

TO ASK CONSIDERATION

CINCINNATI (AP)—City Manager C. A. Harrell has Council's instructions to apply to the federal government for consideration of the Blue Ash Airport site as the location of an environmental health center.

The action came after Councilman Willis D. Gradison Jr. moved Wednesday that Cincinnati sell the federal government about a fourth of the 1,600-acre site.

7:30 — Ch. 3, Wide, Country: Forrest Tucker and Slim Pickens in "Speckle Bird" when an ex-rodéo rider considers his son a weakling.

8 — Ch. 8, Perry Mason: "The Case of Constant Doyle" stars Bette Davis who fills in for the ailing Raymond Burr who appears in a brief segment.

8:30 — Ch. 3, Dr. Kildare: Tom Tryon portrays a city health official trying to find the source of an epidemic of infectious hepatitis which has struck the medical students and killed one person in "The Mosaic."

9 — Ch. 5, My Three Sons: Steve has nightmares about being chased by a man in "The Dream Book."

9:30 — Ch. 5, McHale's Navy: Ensign Parker's low marksmanship score causes the men to change his scorecard in "The Ensign Gets a Zero."

10 — Ch. 8, Dinner with JFK: President and Mrs. Kennedy are honored with a dinner. Robert Preston is host.

11:20 — Ch. 8, Movie: Sylvia Sidney, Fred MacMurray and Henry Fonda in the 1936 release, "Pine."

Winona

The Winona Butler Volunteer Fire Department Auxiliary met recently at the home of Mrs. Albert Gamble, with 12 members present. The next meeting will be with Mrs. Carl Gamble Feb. 18 at 7:30 p.m.

Leland Johnson has returned home from the Cleveland Clinic Hospital where he underwent surgery.

Loyal Temperance Legion will meet at the Winona Methodist Church Saturday at 2 p.m.

Mr. and Mrs. John D. Frey and son Daniel of Northfield were weekend guests of her parents, Rev. and Mrs. L. J. Hadely.

127 U.N. SOLDIERS KILLED — UNITED NATIONS, N.Y. (AP) —The U.N. force in the Congo suffered casualties of 127 dead and 133 wounded in the Congo operation from July 1960 to the present, the United Nations disclosed Wednesday.
